SUMMARY

I'm Garvit Sharma. I have completed my BCA (Bachelors in computer applications) from IGNOU (Indra Gandhi National Open University) & result will be awaited and expect to declare on Sept 2024.

I specialize in web development and love creating easy-to-use and attractive websites. Let's work together to make your online presence stand out!

I have a strong knowledge in HTML, CSS, and JavaScript. I am skilled in developing responsive, user-friendly websites that meet industry standards and user needs.

I am a quick learner passionate about staying up-to-date with the latest web technologies and trends. I have good problem-solving skills and enjoy collaborating with others to achieve project goals.
